FOR YOUR SAFETY

We take your safety very seriously, that's why JAY-BE products are designed and tested to meet rigorous International Safety and Quality Standards.

This footstool bed contains moving parts. Please be aware of hand entrapment when operating and never allow children to play on this product. Do not use the footstool bed if a part is broken, torn or missing.

TAKING CARE OF YOUR FOOTSTOOL BED

Your JAY-BE footstool bed will provide you with years of enjoyment, so it's well worth taking good care of. To clean use warm water and a damp cloth. Remember before using any cleaning fluid on your footstool bed, give it a spot test first!

To extend the lifespan of your mattress we recommend that you turn it on a monthly basis.
